

# **Ilott v Mitson and others [2017] UKSC 17**

## **STUB DOCUMENT FOR TESTING**

This is a stub document for testing purposes.

The actual judgment can be found at:

<https://www.bailii.org/uk/cases/UKSC/2017/17.html>

This Supreme Court case provides important guidance on family provision claims under the Inheritance Act 1975, particularly regarding claims by adult children.

The case concerned an adult estranged daughter who was left nothing in her mother's will.
